

**UTAH COUNTY TECHNICAL BULLETIN**  
**October, 2025-3**

## **IMPORTANT**

### **Training Venue Change**

Due to circumstances beyond our control, the venue for the upcoming training sessions for the new equipment and program regulations has changed.

The new location will be held in the Utah County Public Works conference room.

**2855 S. State St. Provo, UT, 84606**

### **Training Schedule**

The dates and times for the sessions will remain the same.

Sessions will be held after business hours (6:00-8:00 PM) at the new location, in Provo.

The following dates are still available:

11/17, 11/18, 11/19, 11/24, 11/25

(The two final sessions will only be held if earlier classes reach capacity)

### **Training is Mandatory**

This is a reminder that each technician is required to attend one of these classes. Attendance is mandatory for all technicians who wish to remain active in the Utah County Vehicle Emissions Program. **Technicians who do not attend one of the available classes will forfeit their certification and will be required to recertify to continue to participate in the Utah County Vehicle Emissions Program.**

If you are already registered in one of the scheduled classes, there is no need to re-register. If you still need to register, please call our office at 801-851-7600 to schedule your class and submit payment.

The training cost is \$10 per technician.

Parking will be available in the lot just south of the building. See attached map with the parking area circled in red.
